

PROMOTIONAL TERMS HELY

(3 months free subscription + 50 euro discount on first invoice)

To celebrate that Hely is going live at the locations Delft and Amsterdam Noord, Hely offers new customers ("Users") the possibility to subscribe for a Subscription at Hely, for which the first three (3) months no subscription costs are charged. As User, during the first three months, you will only pay for the usual hourly rate of the Vehicles used. These costs are charged at the end of each month. In addition, Hely gives you a one-off 50 Euro discount on the first invoice you receive from Hely. This promotional offer ("Promotion") is subject to these conditions ("Promotional Terms") as well as the General Terms and Conditions of Hely. We therefore advise you to read through both conditions carefully.

1. By registering for the Promotion you accept that these Terms and Conditions and the General Terms and Conditions of Hely apply. The General Terms and Conditions can be consulted via www.hely.com ("Website").
2. Participation in the Promotion takes place through a successful registration via the Website and/or Hely's channels on social media.
3. For a registration for the Promotion to be valid, as a User you:
 - a) are at least 18 years old;
 - b) have a (demonstrable) residential address in the Netherlands;
 - c) have a valid Dutch driving license; and
 - d) have a (demonstrable) current account at a bank from the Netherlands.
4. The Promotion is part of the Agreement that you enter into with Hely. Registration for the Promotion therefore means that you as a User are bound to the Hely Subscription. The Subscription is initially entered into for three (3) months and is then automatically renewed for a period of one (1) month. The Subscription may be terminated in writing, with effect from the end of the following period.
5. The discount on the first invoice amounts to EUR 50. If the first invoice you receive is less than EUR 50, the discount will only cover the amount of the relevant invoice.
6. The Promotion is valid for all new Hely Users who have legitimately registered before the date of 1 February 2019.
7. Each User can only use the Promotion once.

8. In the event of abuse, fraud, providing incorrect/incomplete information or by not complying with these Promotional Terms, Hely reserves the right to exclude you from this Promotion. Hely is entitled to reclaim the benefits User already received and to claim additionally the costs made by Hely to reclaim those benefits.
9. Hely is not liable for any incorrect information provided with regard to the Promotion via its Website, social media channels, printed matter and/or otherwise.
10. Hely reserves the right, without prior notice and at its discretion, to change the Promotional Terms in the interim and/or to terminate or suspend the Promotion.
